

Bbwear

Est 2000 Made in the UK 

Manufacturing beekeeping clothing and stocking bee supplies
Providing excellent quality and customer service

Dear Chairman/Secretary,

Another beekeeping season will soon be upon us and we are pleased to be able to continue to offer your members; 20% off all garments in our clothing range and 50% off of BB10 and BB11 Gloves and Spats.

Please note free gloves are NOT included with the full suits with association discount. The discount will ONLY be given by contacting us direct, by email or phone.

We require each member to:

- Contact the club secretary/chairman and ask them to email either james.bright@bbwear.co.uk or shop@bbwear.co.uk with confirmation they are a paid up member of the club.
- Place the order over the phone or by email (email should include; name address, phone number and details of your order)

We can take the order before membership is confirmed and would wait until we have the confirmation before contacting the member for payment.

Alternatively, we are happy for the association to take orders from members and send as 1 big order direct to the association upon completion. Any orders over £350 would be free postage and save people paying postage for single orders.

Please be aware that association discount cannot be obtained online.

We also offer an embroidery service which is very popular with associations as it helps to identify suits. Suits are normally embroidered on the breast pocket and prices start at £8.00 per suit.

If you would like any catalogues for any courses you are planning to run, please let us know how many you would like and a postal address.

We assure you of our best attention at all times. Please do not hesitate to contact us if you need any further assistance or advice.

Please forward this to any subdivisions of your association we may not have on record.

Yours Sincerely

Belinda Bright
